## ENACTUS—ARLA HQ TRIP

Pupils in Year 8 and 9 visited Arla HQ for the Next Gen Leaders workshop on Wednesday. They were an absolute credit to themselves and our school. They were impeccably behaved, enthusiastic, worked so well together in their teams and came up with some great social action projects they aim to research and further develop. All were amazing and did a great job at representing BUH and had some great comments from the university volunteers and company directors alike.

# BUH Breakfast

A colorful poster for the BUH Breakfast Club. The background is a dark blue gradient. At the top left, a yellow bag of 'Munchies Cereal' is shown pouring orange and yellow cereal into a blue bowl. A wooden spoon is in the bowl. To the right of the bowl, two golden-brown crumpets are stacked. Above the bowl, a slice of toast with red jam and a knife is shown. In the top right corner, a bright yellow sun is partially visible. The text 'BUH BREAKFAST CLUB' is written in a large, white, stylized font in the center. To the left of this text, a blue splash graphic is present. To the right, a yellow text box contains information about the club's start date and a menu. The menu is a table with two columns: 'ITEM' and 'PRICE'. Below the menu, a yellow text box states that toast, crumpets, and bagels are served with butter or jam.

# Student Fundraising for Pakistan

Sana Khan in Year 8 has set up a Just Giving page to help raise £5,000 for the victims of the terrible floods in Pakistan. We are very proud of Sana for modelling our school values of Excellence, Integrity and Kindness.

The link to the crowdfunding page is below.

[Crowdfunding to Help support those who are affected by the devastating floods in Pakistan and are in urgent need of humanitarian assistance. on JustGiving](#)

Dear Mr. Wrightson,

The recent floods in Pakistan have affected millions of lives. Some of the areas such as Baluchistan, Sindh and parts of Khyber-Pakhtunkhwa were the worst affected provinces. The devastating floods have resulted in millions of people without shelter, and many have lost their lives. Roads, homes, crops and livestock have all been washed away. The continuity of rainfall hasn't ceased yet which could raise further concerns. To support the affected people, I will be doing a 10KM walk to raise funds for those who are in urgent need of humanitarian assistance. I was wondering whether this could be promoted widely throughout the school, both within staff and the students to help raise maximum funds to help support those who are in need. I will be happy to discuss this further with you to have a plan in place. Looking forward to hear from you.

Many Thanks

Kind Regards

Sana Khan

# Meet our Head of Key Stage 4

## Key Stage 4 Headlines

As we begin the new academic year, I would like to take the opportunity to introduce myself as Leader of Key Stage 4 to all parents and carers of students in Years 10 and 11. Having spent 18 years teaching in Bradford, in both pastoral and curriculum leadership, I am delighted to be joining Beckfoot Upper Heaton, returning to the community and postcode that I grew up and went to school in.

I am looking forward to working with you in ensuring that your child makes exceptional progress on the runway to their GCSE exams, in a school where they feel they belong, enjoy everyday, and keep true to our core values of excellence, integrity and kindness. As part of our induction days, I have had the pleasure of delivering key messages on the importance of high aspirations and how to reach our goals with Year 11 forms. As a year group the students learnt the importance of determination, resilience, hard work, patience, to celebrate differences and above all to believe that nothing is impossible if they put their mind to it!

I would like to congratulate students across Key Stage 4 who have made a fabulous start this week, and say a big thank you to parents and carers for their support in sending stu-
