

# Headteacher Newsletter Friday 24<sup>th</sup> November

## Highlights of the week

I've had the pleasure of seeing some excellent learning this week -which just reminds me how lucky I am to do the job that I do. As I finished writing this last night I was met by the Y11 debate team who had just secured their place in the next round – they were absolutely buzzing- we are so proud of their achievement and can't wait for the next round. See later in the newsletter for more details. Next week is our Year 11 Parent's Evening coupled with our Post 16 Options evening – we look forward to welcoming our Year 11 families on Thursday. We are always looking to improve and have sent out a link to the parent voice survey. We'll share the outcomes with you in a later newsletter. Monday 4<sup>th</sup> December I will be holding a drop in session for parents who wish to make an appointment to speak to me 1-1. Details about how to make an appointment to follow.

We know that this half-term is always tricky for attendance, as the winter bugs push our immune systems to the limit. Don't forget that a good sleep routine, balanced diet and fresh air and exercise every day will help the students stay healthy this winter. And a gentle reminder that if a student's attendance is below 95%, we will not authorise an absence as illness unless medical evidence has been provided.

## Tutor Lesson and Personal Development

The News article students have studied this week focussed on Remembrance as a prominent journalist lamented 'I should have worn a poppy,' regretting her belief that Poppy Day glorifies war – there were a lot of mature discussion and some very strong views from students about supporting Remembrance. The Votes for School this week was taken equally seriously, it focussed on bereavement as this week marks Grief Awareness in the UK. The vote challenged everyone to reflect on how well they were able to support a friend experiencing the pain of grief.

Mr Trueman's assemblies this week have centred on sexual harassment and consent – another important opportunity for students to reflect on their prior learning in Open Minds about safety and consent in an age-appropriate delivery. Keeping safe and knowing who to speak to with any problems or worries (even about others) is a constant reminder for all students.

The excitement and competitive streak we've seen in recent week continued as KS3 groups took to their Numeracy Ninjas with gusto!

## Debate team winners!

Beckfoot Oakbank's debate team have stormed to victory in their first ever national debate competition. The team competed in the first round of the English Speaking Union's Mace competition- a well-established and respected competition that sees schools compete nationwide. Finlay S (First Proposition), Jasper R (Second Proposition) and Mary-Jane J (Summary Speaker) excelled both individually and as a team, debating the motion 'This House Believes that environmental campaigning should focus on changing government policy rather than individual behaviours' against opposition from Calder High School. Evie K- reserve team member- provided excellent moral support on the evening. The team are now through to the second round- a regional heat- meaning the team will get to showcase their fantastic argumentation skills on an even larger stage. Well done to the team- we are so proud of you!

## Year Group News

### Y7 News

The school was rocking on Thursday morning when year 7 were treated to a performance by a group of visiting students from Australia. The performing arts are an integral part of our student's education, and we hope students have left inspired to get creative themselves! In lessons year 7 are consistently earning hundreds of golden tickets week on week and are continuing to go from strength to strength with their studies. Well done year 7!

## Y8 News

Year 8 have been flying with the number of Golden Tickets and Learning Habit 3 Points that they've achieved this week. Many of our students have made the extra effort to open doors and welcome people into our school with excellent manners and welcoming smiles. Keep up the good work Year 8.

Students in Year 8 have been engaging with Sparx Reader as part of their English homework. There have been lots of conversations at break and lunchtime about the exciting novels that students have had access to with many students challenging each other to try and achieve a high score.

Students have been working hard on their bug drawings in art over the last couple of weeks. An example below!

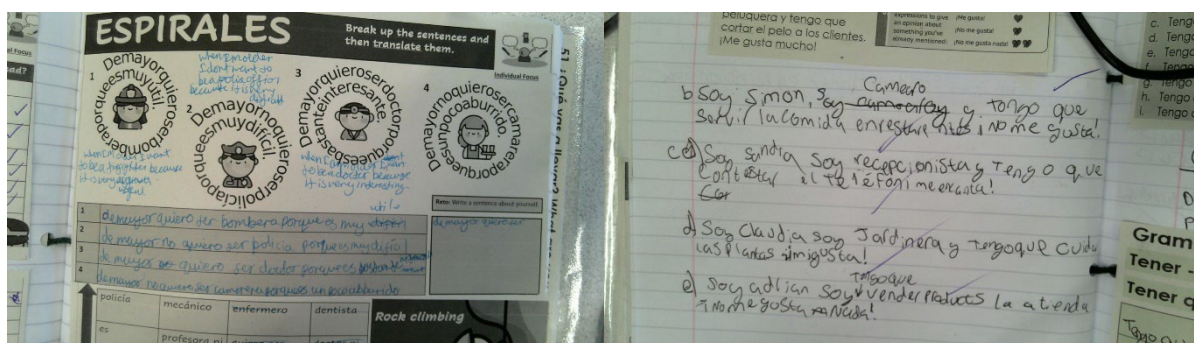

Congratulations to 8DV for winning the attendance breakfast this week.

## Y9 News

A super week where we welcomed visiting students from Australia, three lucky Y9 groups saw them perform their drama today. A shout out to 9EB for winning the attendance prize. Hope you enjoyed your breakfast rewards.

Learning has been very focused this week. Spotighting the fantastic learning taking place in Spanish lessons, with two superb samples of bookwork below. Well done, Jasper and Salima !

## Y10 News

Year 10 continue to grow into an excellent group of GCSE students. Staff and visitors notice the maturity and warmth that typifies most of the year group, most of the time; they come to school to learn, understand how to enjoy their school experience and are beginning to experience the success that they deserve – and there is much more to come!

Harrison in Y10 has completed 3 months of volunteering with the charity homeless not hopeless as part of his Duke of Edinburgh awards. We are super proud of Harrison and his willingness to support others!

Below are some comments from the charity's Facebook page.

*"Harrison, you should be very proud of the work you have done to support some of the most vulnerable people in our area".*

*"A big THANKYOU to this wonderful young man . 🙏🙏🙏❤️❤️❤️"*

*Harrison has been volunteering with us here at Homeless Not Hopeless*

*for over 3 months as part of his Bronze Duke of Edinburgh award. His first visit was to our unit in Keighley where he saw where all our stock was stored . He helped pack the vans ready for our outreach . He got involved with the food element of our outreach, making 40 hot vegetarian meals , baking cakes and organising tinned food collections in his local area . He also collected second hand clothing for us .*

## Y11 News

This year we have started using an online platform called Educake to set our science homework; like Sparx maths and English, Educake is a fantastic resource where students can engage with short videos and test their knowledge on short quizzes set by their teachers. Students have responded well to this, non-more so than Jack Judson who is our year leader having answered a remarkable 492 questions, I'm sure all this independent study will pay-off – well done Jack.

### **Pick of the week – Broadcast Talk**

**Monday 27th November: Blind Not Broken with Lucy Edwards-Cave**, blind broadcaster, journalist, content creator, and disability activist <https://forms.office.com/e/z3BwfM7s32> VIP SPEAKER!

Step into a world of charm, charisma, and creativity in this broadcast, when we are joined by Lucy Edwards- Cave, Blind Broadcaster, Journalist, Content Creator, and Disability Activist. After losing her full eyesight at 17, Lucy had no one to take inspiration from who was going through the same thing and made it her mission to share her experiences with the world. Tune in and hear how one woman built a community that champions disability advocacy and is changing how the world views blindness #BlindNotBroken.

### **SPARX Reader and SPARX Maths.**

All students in years 7 to 11 have access to Sparx Maths and all students in Years 7, 8 and 9 have access to Sparx Reader. Students can access these programmes with the same login that they use for Teams and logging at school. You can log on here. [Beckfoot Oakbank School - Maths](#)

Sparx maths is now live so all students in Y7-11 have weekly online homework linked to the maths curriculum being followed. It's due in each Wednesday! Your child's tutor can help them if they do not know their login / password.

### **Educake**

In Science we are launching a new online homework platform for years 10 and 11 called Educake where students can answer online quizzes set by their science teachers. Educake is also a fantastic tool for revision as students can log on and test themselves on their science knowledge. All students should have received their login details in class as a sticker in their planners but if they have any problems logging on they should speak to their science teacher or Mr Hazelgreen. Log on at <http://www.educake.co.uk> or download the app.

### Step Into Audiology

We are very excited to announce our new post-16 programme in the Allied Health Professionals field, **Step Into Audiology**.

'Step Into Audiology' is a collaboration between the University of Leeds, the York and Scarborough Teaching Hospitals NHS Foundation Trust, and Hull University Teaching Hospitals NHS Trust, aimed at providing your students with an insight into the profession of Audiology. It is an outreach programme that will allow your students to find out more about Audiology as a profession and career, and what it would be like to study Audiology at University.

The programme includes two in-person Insight Days to give you a flavour of Audiology. Both taking place in Spring 2024, the first event will be held at one of the Trust's Hospitals, with the second event taking place at the University of Leeds campus. Students will take part in practical taster sessions and hear from current Audiologists and students about their experiences.

**Applications will open later this month.** To be the first to hear about when they do and to register interest on behalf of your students, please follow the link below, which provides more information about the programme and contains both a Student and a Teacher/Advisor Registration of Interest form.

### 2024 Yorkshire Medical Schools Summer School: An MSC Pathway Programme

We are excited to soon be launching applications for the 2024 Yorkshire Medical Schools Summer School: An MSC Pathway Programme.

The programme is a collaboration between Leeds Medical School, Hull York Medical School, Sheffield Medical School, The Royal College of Surgeons, and the Medical Schools Council, funded by Health Education England.

The programme will run throughout 2024 and will consist of monthly online activities to prepare your students for applying to Medical School. The students will also take part in a week-long online summer school, including a visit to the University of Leeds Medical School for a Surgical Careers Taster Day.

The programme is open to Year 12 students interested in studying Medicine who are from under-represented backgrounds in medical education, and targets areas of England that have limited outreach engagement with medical schools.

**Applications for the 2024 programme will open later this month.** To be the first to hear about when they do and to register interest on behalf of your students, please follow the link below, which provides more information about the programme and contains a Registration of Interest form.

### **Leeds Access to Medicine Society (A2M) Mock MMI & Interview Preparation Day**

We're excited to host the first Leeds Access to Medicine Society (A2M) Mock Multiple Mini Interview (MMI) & Interview Preparation Day, a collaborative event with A2M and the Health Sciences Outreach Team at the University of Leeds.

This half day event is designed to give Year 13 students/ second-year college students, who have already applied for Medicine for 2024 entry, the opportunity to take part in a Mock MMI circuit, as well as a Communication Skills workshop to hone their skills ahead of the Medicine Interview cycle in early 2024. They will also have the opportunity to meet our Leeds medical students and ask them about their journeys so far.

This event will take place on **Saturday 9<sup>th</sup> December 2023** at the **University of Leeds** campus.

Applications are now open. Please note that **priority will be given to** applications from students in the **West Yorkshire region**, and **student group who are under-represented in Medical Education at the University of Leeds**.
