KS3 marksheet data entry

Each marksheet has been set up with ten units, please enter the % score for each of these units.

Please click calculate and save before closing the marksheet – the last column 'Ave %' will automatically populate with the average % score for all units

Marksheet Entry : History % Year 7 2020_21 : 7E4/Hi 20/21, Ward, Melvyn

Data Collection

For each data collection, please enter the attitude to learning grade and ensure that you have clicked 'calculate' and 'save'

You are not required to enter any other assessment data at this point as I will take the automatically generated average percentage (last column) and import this into SISRA.
