

DESIGN A ROLLER COASTER CHALLENGE

ALTON TOWERS NEED YOU TO DESIGN THEIR NEXT
£15 MILLION THEME PARK ATTRACTION

HOW DO YOU GET INVOLVED?

Your school is offering to host you for one week, this summer, to work with a team of your friends and create the next big idea. So, all you need to do is speak to your teachers about attending.

WHAT WILL THE WEEK INVOLVE?

You will be participating in an enterprise challenge that will build your skills including:

- Communication
- Teamwork
- Initiative
- Problem-solving
- Organisation
- Leadership
- Creativity
- Numeracy
- Reliability
- Digital

WHY SHOULD YOU COME?

The week is an exciting opportunity to do something a bit different this summer. You'll be growing your skills and having fun at the same time.

OH... AND WE DID MENTION THAT YOU'LL BE TAKING A TRIP TO A THEME PARK NEAR YOU ON THE FRIDAY, RIGHT!?

A NOTE TO PARENTS AND CARERS:

After such an intense 18 months, we at The Inspirational Learning Group (TILG) are delighted to be able to offer your learners an engaging and educational week of programming this summer. We have a decade of experience in delivering the UK's biggest and best enterprise challenges throughout the academic year and are feeling very fortunate to be able to do so this summer, as well. Our trained facilitators will be delivering every bit of the programming which will also allow teachers to strengthen their relationships with your learners throughout the week. If you have any questions at all, we're happy to answer them directly – all you need to do is email info@tilg.co.uk or ring us at **01785 550160**.
