

22nd December 2021

Dear Parents / carers,

School Bus Services from January 2022

We have been contacted by the Education Transport Authority regarding the shortage of school bus drivers as a result of the rise in Covid cases, and to ask you to think about how your child(ren) would get to school in the event that their bus service fails to operate. It is highly likely that the driver situation will be significantly worse when schools reopen in January.

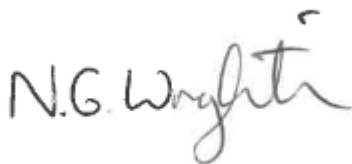

Please follow the bus company on Twitter @metrogenm where you can find up to date information on service cancellations, late running or 'last minute' measures such as combining routes and ensure that your child(ren) know what to do should a problem occur.

The bus company has assured us that they will do their very best to minimise cancellations by using operators with spare drivers to cover services of those operators who are experiencing a shortage.

For more information please follow the West Yorkshire Combined Authority on [Twitter](#)
Follow the LEP on [Twitter](#) or on [Linked In](#)

Metro is the transport network of the West Yorkshire Combined Authority. Find local travel information at www.wymetro.com, [Twitter](#) and [Facebook](#).

Best wishes for a safe and happy holiday.

Mr N.G. Wrightson
Headteacher
