## NOTICES & REMINDERS

### TESTS & ASSESSMENTS

Reminder to Year 8Ma3 who have a Unit 6 test of Angles in Polygons and Parallel Lines next week.

### UNIFORM

We have one week left until the Easter break and, when we return on Monday, 25th April (3 weeks from now), we will expect to see all students in full and correct uniform. We want all our young people to look smart; to take pride in their appearance and their school. We do understand that many of our families are feeling the squeeze financially and that some items of school uniform (blazer, shoes and coats) are particularly expensive. If any of our families are struggling to provide their child's uniform, please contact school—we can help. We have a number of items that can be loaned to students and have newly established links with the Shipley School Bank who can help us supply our students with pre-loved items to keep.

## WHAT'S BEEN HAPPENING IN SCHOOL?

### BUH FACTOR

The BUH Factor event took place on Tuesday and showcased the hard work of our talented pupils and was planned entirely by the Year 11 Music class.

Everything from the script to the lighting and sound was created and developed by members of this group, for their GCSE coursework.

Acts included singing groups, samba bands, piano soloists and much more. The pupils who were involved in the event were able to invite people from home to come and watch and we were also joined by Year 4 pupils from Beckfoot Heaton Primary School who LOVED IT and described the event as

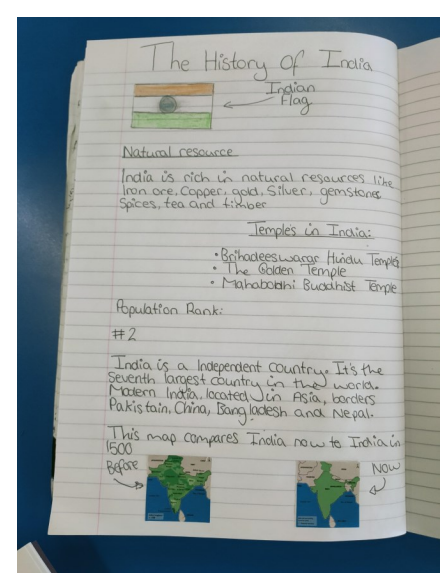

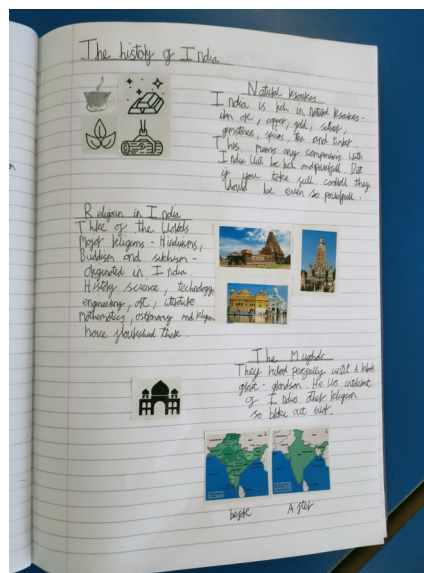

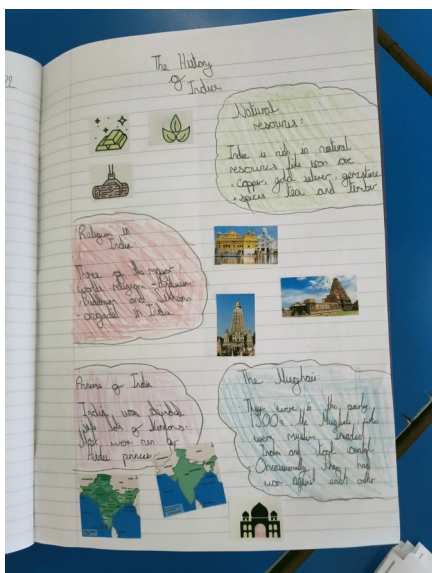

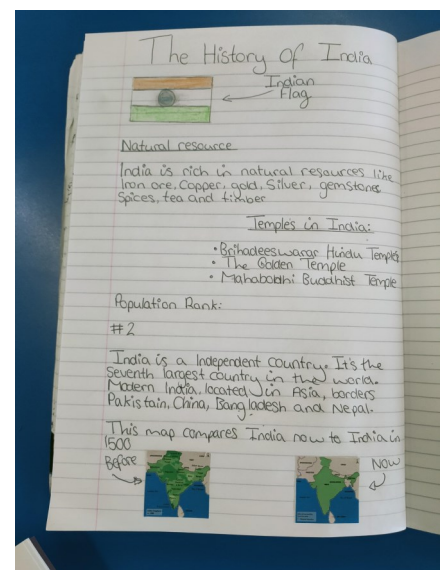

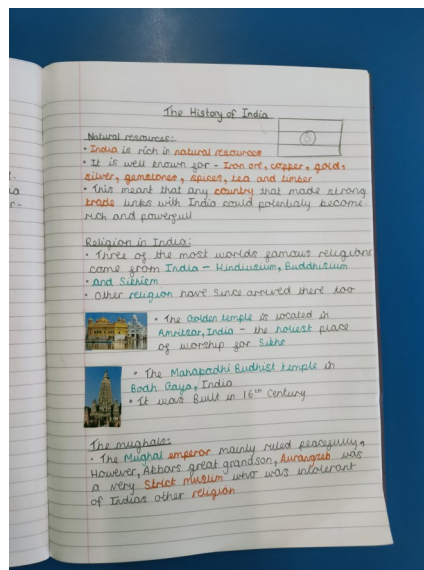

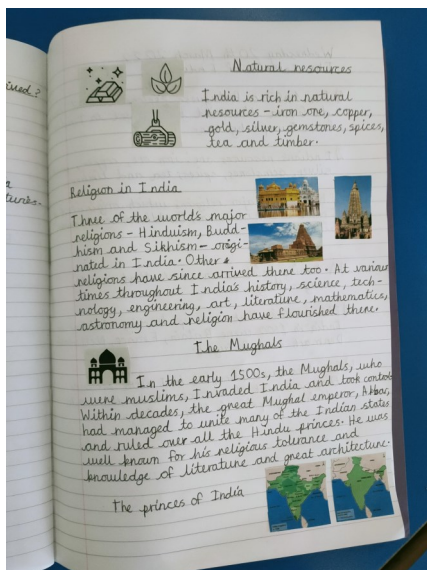

**“Amazing, brilliant, spectacular, inspiring, mind blowing, spell bounding, impressive, fantastic, outstanding, surprising, superstars”.**
