Work for our Trust

At BA, we are trying to recruit 'graduate co-teachers'. Essentially, they will be paid as a TA (TTO + 5) and work alongside our middle leaders and SLT in a classroom. The plan would be in the 2nd year (at the earliest) they would complete their Assessment Only route to gain QTS. We have all key stages available: EYFS, KS1 and KS2.

Candidates need a degree (ideally something related to working with children but not essential) and everything else is provided through our in house training.
