## Big Bang Fair—NEC, Birmingham

A group of our year 9 students visited the Big Bang Fair at the NEC Birmingham this week. Beckfoot Upper Heaton students were specially selected to exhibit work at the UK's biggest celebration of STEM (science, technology, engineering & maths) for young people.

Our students presented their work to many of the thousands of other secondary school students attending from across the country, and found out about the work of other schools while trying out a wide range of STEM based activities around the vast exhibition hall.

## Leeds University—UCAS Fair

Last Thursday 23 Year 10 students visited the UCAS Fair at Leeds Beckett University. They had the opportunity to go around a marketplace of over 200 university stalls and speak to university representatives about their range of degree courses and the qualifications needed to get onto them. They also attended talks on a range of subjects that can be studied at degree level, including computer game design, film, psychology, languages and criminology.

As a follow up to the visit, Miss Pye and Mrs Mathewson will be offering a series of 'University Club' sessions on Tuesdays period 6, during the last weeks of the Summer term. The aim of these sessions is for students to learn more about the routes into university and whether Higher Education is for them. For further details, students should come up to the library and speak to either of us.

This week the Nurture Group's focus is healthy eating and making healthy snacks independently.

## Disability Athletics Event

On Thursday 23<sup>rd</sup> June students from Beckfoot Upper Heaton took part in Disability Athletics Event. This was a fantastic opportunity for our students to compete with other schools from across Bradford and Leeds. Students took part in adapted Athletic field events such as long jump, triple jump, chest push, speed bounce and soft javelin. Relay races took place too where students loved the competition element.

A special mention for Khama Nakanduungileh who won the Top Performer Award across all schools, averaging the highest points score in all events.

A great day all round.

Mr Broadbent

## **NOTICES**

### **Immunisation Consents**

Consent forms for immunizations have been given to students in year 8 and year 9. Parents/carers please ensure these are returned to school as soon as possible.

Thank you

**Naila Nawaz**  
**Healthcare Assistant Lead**

### **Thank you—Parents of Year 11**

Massive thank you to Year 11 and their parents for their kindness. We have had lots of blazers donated to the uniform shop which is great news!

### **All parents / carers**

Any donations of any item of school uniform that your child has out-grown would be gratefully received in school.

Thank you

**Ms Alleyne**
