

## SO MUCH TO LOOK FORWARD TO

### Design Technology & Engineering

From Monday 3<sup>rd</sup> October - Friday 14<sup>th</sup> October Beckfoot Upper Heaton will again be taking part in Bradford Manufacturing Weeks.

Our students will be able to take part and work with local manufacturers through a series of tours to local companies such as Solenis and TF Automation.

A group of our year 9 girls will also have the opportunity to listen to and question a group of female manufacturing leaders & professionals on Thursday 6<sup>th</sup> October's Women in Manufacturing panel event, excitingly being held for the first time at Beckfoot Upper Heaton; for this event we will be joined by students and teachers from Beckfoot School, Beckfoot Oakbank, Beckfoot Thornton and Belle Vue Girls' Academy.

All year 9 students have also already begun work on the annual Bradford Manufacturing Weeks competition, where they have been set the challenge of producing an innovative solution to the United Nations' Sustainable Development Goals; our students are all working on a series of designs and models for this, apply their STEM (science, technology, engineering & maths) knowledge and hope to again be successful with their competition entry.

Earlier in the year we were invited to take part in the Launch of Bradford Manufacturing Weeks 2022. The event was held at Christeyns office in Bradford, Christeyns is an international chemicals manufacturer and the event was attended by Mayor of West Yorkshire, Tracy Brabin; and we will again be able to celebrate our student's work in a closing event.

## Important Notices

### **Maths**

Reminder to Year 9Ma3 that you have a unit test on Area and Perimeter w/c 26.09.2022. Please use your revision guides and MathsWatch to help you revise for the test.

**Mr A Hussain**

### **Geography**

Year 11 GCSE Geography students – make sure you look on ClassCharts or My Ed for the consent form for the East Coast Fieldtrip. The trip is a compulsory part of the course and so essential all students attend. We are visiting Flamborough Head to look at key coastal landforms and processes before heading further down the coast to Hornsea to investigate the impact of coastal management techniques. If any parent / carer is struggling to access ClassCharts or My Ed please get in touch with the school who will help you login to both applications.

**Mrs Siggins**

### **Literacy Matters at BUH**

Literacy is an important element of what we do here at Beckfoot Upper Heaton. Although it is early in the term and the Literacy Department might seem quiet, we are working away in the background to collect valuable data that will enable us to offer apt provision for our students. We have a major focus on Reading this year and there are a number of activities being organised with Reading at the core. We know everyone is waiting with anticipation but rest assured, literacy matters at Beckfoot Upper Heaton and we are on with it!!!

**Mrs Gordon-Jarrett**

## Important Notices

### After School Clubs

English after school clubs will be running from **Tuesday 4<sup>th</sup> October**. We will be offering:

Drama Club  
Debate Club  
Reading Club

Clubs will run every **Tuesday 2:35pm-3:35pm** and will be promoted in English lessons next week.

### PE

Thanks to those girls who have signed up to attend the Women's World Cup Rugby. A letter will be given out in due course with information about the matches. There are still some places available if students would like to go. Please speak to a member of the PE staff.

Our whole school referendum for a PE Mantra has now been completed.  
The Mantra in PE is

**Dream It, Believe It, Achieve It!**

Next week our **Intra-Form Football Tournament** begins for our Year 8's

Fixtures are now in place.

Good luck to all the forms in year 8.

Look out for the results in next week bulletin.

## Important Notices

### History Drama Workshop

On Monday 26<sup>th</sup> and Tuesday 27<sup>th</sup> of September 16 Year 8 and 9 students will be taking part in a History Drama workshop about the Bradford Fire called 'Forged by the Fire'.

The students will learn about the History of the fire and perform a number of small plays about the ways the fires affected different people in our local community. This workshop is part of PHD study with Leeds Beckett University looking at how to develop creative learning about local History. The students will have the opportunity to explore many different creative ways to share information about the past.

### Year 7 Trip to Nell Bank Outdoor Education Centre Thursday, 6<sup>th</sup> or Friday, 7<sup>th</sup> October

Nell Bank has been working with schools for many years delivering a programme of team activities to create the right social atmosphere to enable pupils to develop the essential life skills and knowledge needed to work effectively as part of a team.

Each activity is designed to encourage pupils to communicate, persevere, develop trust, plan and ultimately succeed. The activities will help strengthen friendships already made and encourage new ones at this early stage and will be a wonderfully positive and exciting way to start life as a Beckfoot Upper Heaton student.

Your child/ward will need to wear appropriate comfortable clothing (not school uniform) and trainers or wellies. Students should bring a packed lunch with them. If your child/ward is entitled to free school meals, we will provide their packed lunch. There is no charge for this trip as it is entirely funded by school.

We will be setting off at 9.00am and travelling by private coach/school minibus to Nell Bank, returning to school at around 2.45pm in time for the school bus. Students should arrive at school at the normal start time of 8.20am and congregate under the canopy area.

Please give your consent for your child/ward to attend by following the link here

**Thursday 6<sup>th</sup> October – Group 1 (Tutor Groups 7A, 7B & 7C)**
