Maths Assessment Overview 2022-2023

Year Group	HT1	HT2	HT3	HT4	HT5	HT6
7	Number	Algebra	Drawing and interpreting graphs FDP	Equations and Inequalities Angles	Statistics Perimeter, area and volume	**End of Year 7 Test**
8	Linear graphs Transformations	Ratio and Proportion Pythagoras and trigonometry	Probability	Percentages	Constructions	**End of Year 8 Test**
9	Number	Algebra I	Statistics I FDP	Angles Real-life and algebraic graphs	Perimeter, area and volume, Accuracy and bounds Transformations and Constructions	**End of Year 9 Test**
10	Algebra II Probability	Direct and inverse proportion Similarity and congruence	Pythagoras and trigonometry in 3D	Statistics II	Quadratics Sketching graphs	**Mock Exam preparation** **Mocks:** **Maths Papers 1,2,3**
11	Circle theorems	Algebra III	Vectors and geometric proof	Direct and indirect proportion	**Mock Exam preparation** **Mocks:** **Maths Papers 1,2,3**	

excellence   **integrity**   **kindness**
