

23rd February 2023

Dear Parents/Carers

Industrial Action

Further to the letter which was sent this week, I write to update you about the remote learning plans for Tuesday 28th February for Years 7, 8, 9 and 10; apart from identified students who have been contacted, these year groups will be learning from home on this day.

The remote learning plans are now available on the front page of the website. Which you can find here:

As well as accessing the remote learning, students can also spend this time reading their reading book and completing homework tasks.

If you have any questions about the remote learning, please do get in touch with the school. A reminder that all Year 11 students are expected in school on Tuesday 28th February 2023 for a shortened day from 08.15 – 12.45.

Again, we realise that this may cause you disruption, for which we apologise. Finally, we would like to take this opportunity to thank you for your patience during this time.

Yours sincerely,

Shirley Watson
