Dear parent/carer,

Re: English Homework

In order to best support your child's learning, their English homework will be set on **Seneca** from **Monday 27th November 2023**.

Seneca is an online learning platform which includes 1000s of tasks that promote good literacy and strong subject knowledge. Using this platform will allow us to monitor your child's progress and provide homework that is tailored to their specific needs. There is also the option for students to complete independent work on the platform, in addition to their homework.

Student log in:

Your child will need to log in using their **school email address** and set their own password. This can be done on www.senecalearning.com or by downloading the Seneca learning app. They have been provided with a guide on what to do once they are logged in.

Parent log in:

Another benefit of using Seneca is that you can also monitor your child's homework completion and see how successful they have been on each task. You can do this simply by logging in with the email address you have given to school and setting your own password. This can be done on www.senecalearning.com or by downloading the Seneca learning app. If we do not hold an email address for you on file, please contact school to provide one and wait 24 hours before attempting to log in.

Homework schedule:

For all year groups, homework tasks will be issued on the following schedule:

- **Monday:** Year 7, Year 8, Year 9, Year 10, Year 11 English Language (due in the following Monday)
- **Wednesday:** Year 11 English Literature (due in the following Wednesday)

Please check that your child is completing their homework. This is especially vital in Year 11 as their homework will be revision for their GCSE English exams.

We are excited to be making use of Seneca and believe that it will provide a boost to your child's English skills.

Yours faithfully,

Mr. Adam Camp (Head of English)
